

A Great Public Education Isn't Free...It's Up To Us!

Crocker Highlands Elementary Annual Giving 2012-2013

Thanks to the dedication of parents, the greater community and our educators, Crocker Highlands is one of the best schools in Oakland. We are proud of the strong school that we, as a community, have built. In order to continue providing excellence for our children, we need your help.

Our PTA pays for music, physical education, library, computer instruction, supplemental math & reading, yard supervision & much, much more. The funds for these outstanding enrichment & academic programs comes from you...our community.

This academic year, the Crocker PTA will spend over \$350,000 on these important programs. These are funds that we must raise for our children to have a rich and balanced education. Annual Fund contributions pay directly for these programs.

This year, we are asking each family to commit to donating or raising \$1,000 per child for the Annual Fund, but donations in any amount are welcome from anyone - including grandparents, friends & neighbors. All donations of any amount make a difference for our children & are much appreciated. We are hoping to reach 100% family participation...join us in reaching this goal.

Donate Today! It's easy & 100% tax deductible.
