

## **Crocker Highlands PTA Membership Form, 2009-2010**

*Crocker Highlands PTA is a parent/teacher organization dedicated to enhancing the education and general well-being of our children.*

The Crocker Highlands Parent Teachers Association raises the money that funds Physical Education, vocal music, and computer instruction. The PTA sponsors family and community-oriented activities such as the Book Fair, Craft Fair, and Carnival. Many vital volunteer activities are coordinated by the PTA.

### ***Why should you join the Crocker Highlands PTA?***

Because it's fun! But more importantly, to show your commitment to excellent education for our children. The \$5 per person dues includes membership in both the state and national PTA - the largest child and education advocacy organization in the country.

*If you have any questions, please contact Membership Chair:*
