FYI

Current Mission and Vision:

Mission

Crocker Highlands Elementary School strives to become a world-class public school, dedicated to achieving equitable outcomes for all students by providing a rich learning experience that promotes academic excellence, inspires personal and social responsibility, acknowledges and supports diverse styles of learning, and fosters enthusiasm for learning.

Vision

The vision of Crocker Highlands is to cultivate a vibrant learning community where all children achieve their full academic potential, develop a love of learning, discover their unique gifts and talents, and become thoughtful participants in school and community. Our learning focus is on the 21st Century skills of creativity, collaboration, communication and critical thinking.
