What This Is

We've arranged for Kidpower® to come and teach social safety skills & shared vocabulary. Prepare your kids to make safe choices at school and out in the world.

Learn how to build social fluency and confidence. They will provide tips on how to practice these skills with your family as you would with a new instrument or sport.

- Deal with peer pressure, teasing, exclusion, aggressive play
- Deescalate and resolve conflicts
- Be safe with your own words
- Set & respect boundaries

**Keep it
