School Performance Framework Discussion (SPF)

- Joci- explains SPF to committee
- Crocker Highlands Elem. performance and growth measurements (ELA, MATH, SRI)
- Crocker is rated BLUE (high performing) exceeding state average for African Americans but there is a discrepancy in our school between White and African American schools (21 African American students are included in the data).
- Next a look at achievement percent's of Crocker students with disabilities and low income. Dramatic increase in proficiency rates among low income students
- Culture and climate portion includes:
 - Chronic absence (Crocker decreased)
 - Suspension rate,
 - Reclassification (12 students only, not statistically significant)
 - Data from students, parents and staff based on CA Healthy Kids Surveys
 - Decreased % equal to approx. one student data

Site Plan Discussion

- Joci provides overview of purpose
- Committee reads school description, mission and vision; no changes suggested
- A look at priority area: This year priorities are mandated by district:
 - Language and literacy (SRI, F&P as assessment)
 - Mathematics (SBAC and end of unit assessments)
- Discussion of assessments
 - Culture and Climate (weekly chronic absence reports) - priority is chronic attendance; group agrees
 - Family and student engagement – priority is improving satisfaction based on CHKS; group agrees
- Look at strengths and weaknesses

5:22 PM – Possible Projects for SSC

- Ideas from earlier meetings: Beatification, coordination between SSC and PTA
- PTA – is working on Social/emotional project with KID POWER. PTA representative (Chun) describes and gives date Jan. 30th 6:30 -8:30
- PTA, any thoughts on school site budget? Description of how funds have been allocated. Any thoughts on changes or ...?
- Mat under big play structure? Project had been bid and should be replaced before the school year is out.
