STUDENT REGISTRATION PACKET

2017-2018 School Year

Dear OUSD Parents and Guardians,

Welcome to Oakland Unified School District and thank you so much for choosing to register your child in an Oakland public school. We know that your child's education is important and entrusting your child's education with us is a responsibility and obligation we take very seriously.

In the Oakland Unified School District, we believe in educating the whole child (academically, socially and emotionally) and are committed to ensuring your child graduates college and career ready. Our school board has put some important policies in place to set the conditions for your child's success. Your registration packet contains some important policies that will guide our actions as a district and ensure your child's experience in OUSD is optimal for success.

We strongly believe in developing community schools so our students can thrive. This means we need you to partner with us to guarantee your child's success by ensuring that your <u>child attends school daily and on time</u>. Studies show that students who attend school every day have a higher rate of academic achievement. <u>Parental involvement</u> is also a critical factor in student success. Please contact your school principal to see how you can get involved in your child's school. Finally, it is never too early to know what the <u>High School graduation requirements</u> are for your child in their educational journey, so we have included the requirements in this packet. Please read through this important document and track your child's success each year.

Together, we can achieve our common goal of making your child's educational experience rewarding and positive. For more detailed information about OUSD policies, Strategic Plan and strategies for success, please visit our public website and review the parent guide at http://www.ousd.org/ParentGuide.

Thank You.

OUSD Interim Superintendent, Devin C. Dillon
