

The Crocker PTA is pleased to sponsor the upcoming parent education event. The presentation will be held during the first hour of the regularly scheduled PTA meeting, on Thursday, September 14th from 6:30 to 7:30 p.m. in the Crocker Library. The final half hour of the meeting will include PTA business.

PARENT EDUCATION WORKSHOPS

COMMON CORE MATH: Strategies and Resources to Help Your Child

Feeling confused about Common Core Math? Want more information about how it all works? Please join the PTA and our resident common core math experts Iris Wheeler and parent and math specialist Heather McGinnis Fink for an informative parent education night. During this workshop, teachers will demonstrate (and parents will practice) a few of the new strategies being used in mathematics instruction.

In addition, parents will learn:

- ★ The history and reasoning behind common core state standards
- ★ Insight into Crocker's methods, approaches and materials
- ★ How to find useful information online
- ★ How students should approach the material
- ★ How to support your child at home with math

Join Us

Thursday, September 14

From 6:30-7:30pm

In the Crocker Library

PTA

This event is open to the Crocker community and child care is provided.
