## **Three Little Birds**

By Bob Marley

Don't Worry  
About a thing  
Because every little thing  
Is gonna be alright  
Singin' don't Worry  
About a thing  
Because every little thing  
Is gonna be alright

Woke up this morning  
Smiled at the rising sun  
Three little birds  
Pitched by my doorstep  
Singing Sweet songs  
of melodies pure and true  
Singin', this is my message to you-oo-oo

## **Grateful**

**By "Nimo" Patel and Daniel Nahmod**

### **Verse 1:**

You're my life,  
You're my breath,  
You're a smile  
You're my guest

You're the earth  
You're the sun  
You're the grass  
You are love

You're my hands  
You're a bug  
You're my eyes  
You're a hug

You're the light  
In the dark  
You're the spark  
You are fun

You're my mom  
You are water  
You're the stars  
You're my daughter

You're my friend  
Till the end  
You're my dreams  
You're my father

You're the ants on the ground  
The miracles that surround  
I'm feelin' it all around  
The hemisphere and the clouds

You're my pain you're my sorrow  
You're my hope for tomorrow  
You're the strength when I'm hollow  
You're the path that I follow

You're the blessings that exist

The small things that are bliss  
The gift to realize that  
Everything is a gift

**Chorus:**

All that I am  
All that I see  
All that I've been and all that I'll ever be  
Is a blessing  
Its so amazing  
And I'm grateful for it all, for it all

NANANANANANANA....

**Solo 1:**

You're the blessings  
Every time I try to count,  
You're the lessons  
That I learn  
Every time I turn around,  
You're the water when I'm burned  
Every time I think I've found  
Everything I'm looking for,  
You're the sign sayin'  
Stop to take a bow

**Solo 2:**

And keep moving forward  
And start looking towards your heart,  
it'll open all the doors  
And only then you'll start  
To hear the world sing in chorus  
With your mind and heart  
Aligned in purpose  
Everything will feel gorgeous

**Chorus:**

All that I am  
All that I see  
All that I've been and all that I'll ever be  
Is a blessing  
Its so amazing  
And I'm grateful for it all, for it all

**Solo 3:**

Everyday I sit and pray  
Cuz what I have is  
More than I deserve  
Or could ever imagine  
How do I give back  
To all of this magic  
And spread the love  
So everybody can have it

**Solo 4:**

Doesn't matter if I'm rich or poor  
If I gotta family or if I'm all alone  
Bad things happen I can just complain  
and moan  
But there's a million things that I can be  
grateful for

**Bridge:**

So I lift up my hands now  
And I open my heart  
And my gratitude goes out  
To everything near and far

**Chorus:**

All that I am  
All that I see  
All that I've been and all that I'll ever be  
Is a blessing  
Its so amazing  
And I'm grateful for it all, for it all x.2

**Second Layer of Chorus:**

Everything I am  
And everything I see  
Everything I hope  
And everything I dream  
Everything I feel  
And everything I be  
**1) I Look deep down  
And feel all the blessings**  
**2) I'm grateful for it all  
It's amazing**

**Outro:**

You're the blessings that exist  
 The small things that are bliss  
 The gift to realize that  
 Everything is a gift

**Season of Light**

By Jill Rose

It doesn't really matter  
 What you celebrate  
 Season of light  
 Illumine the night  
 Fill our hearts full  
 Keep our hopes bright  
 Let us call out our common name  
 for we know in our heart's we're the same  
 Season of Light  
 ah \_\_\_\_\_  
 we are all the same

Seek not what divides us  
 but what all people share  
 We have the same need  
 to shelter and feed our families our  
 friends  
 to give and receive

If we share so we all have enough  
 If the stranger's deserving of love  
 Season of Light  
 ah \_\_\_\_\_  
 We'll be filled with love

We'll be filled with love that knows no fear  
 keep our vision clear  
 With an outstretched hand we walk the  
 walk  
 we understand that it doesn't really  
 matter  
 what we celebrate

Season of light  
 Illumine the night  
 Fill our hearts full

Keep our hopes bright  
 Let us call out our common name  
 for we know in our heart's we're the same  
 Season of Light  
 ah \_\_\_\_\_  
 we are all the same

Joyful Kwanzaa  
 Happy Chanukah  
 Merry Christmas  
 A bright Solstice to you x.3

We are all the same

**Holiday Medley**

(Hanukkah Oh Hannukah)

Hanukkah Oh Hannukah come light the  
 menorah  
 Let's have a party, we'll all dance the  
 hora  
 Gather 'round the table I'll give you a  
 treat  
 Tzevion to play with and latkes to eat

And while we are dancing  
 The candles are burning low  
 One for each night, they shed a sweet  
 light  
 To remind us of days long ago  
 One for each night, they shed a sweet  
 light  
 To remind us of days long ago

(Jingle Bells)

Dashing through the snow  
 In a one horse open sleigh  
 Over the fields we go  
 Laughing all the way (hahaha)  
 Bells on bob-tails ring  
 Making spirits bright  
 What fun it is to ride and sing a sleighing  
 song tonight

Ohhh Jingle Bells, Jingle Bells, Jingle all  
the way  
Oh what fu it is to ride in a one horse  
open sleigh  
Ohhh Jingle Bells, Jingle Bells, Jingle all  
the way  
Oh what fu it is to ride in a one horse  
open sleigh

(Dreidel Song)

I had a little dreidel, I made it out of clay  
And when it's dry and ready, my dreidel I  
shall play

Oh dreidel, dreidel, dreidel, I made it out  
of clay  
Oh dreidel, dreidel, dreidel, my dreidel I  
shall play

It has a lovely body, with legs so short  
and thin  
And when it gets all tired, it drops and  
then I win

Oh dreidel, dreidel, dreidel, I made it out  
of clay  
Oh dreidel, dreidel, dreidel, my dreidel I  
shall play

(We Wish You A Merry Christmas)

We Wish You A Merry Christmas, We  
Wish You A Merry Christmas, We Wish  
You A Merry Christmas, and a Happy  
New Year
