

Spring Concert Lyrics 2018

De Colores

16th century Spanish Folk Song

De Colores

De Colores se visten los campos en la primavera

De colores

De colores son los pajaritos que vienen de afuera

De colores

De colores es el arcoiris que vemos lucir

Y por eso los grandes amores

De muchos colores

Me gustan a mi

Y por eso los grandes amores

de muchos colores

me gustan a mi

Canta el gallo

Canta el gallo con el kiri, kiri, kiri, kiri, kiri

La Gallina

la gallina con la cara, cara, cara, cara, cara

Los pollitos

Los pollitos con el pio, pio, pio, pio, pi

Y por eso los grandes amores

De muchos colores

Me gustan a mi

Y por eso los grandes amores

de muchos colores

me gustan a mi

Hit the Road Jack

Percy Mayfield/Ray Charles

Margie:

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Ray: What you say?

Margie:

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Ray: Oh! Woman, oh woman, don't treat me so mean,

You're the meanest old woman that I've ever seen.

I guess if you said so

I'd have to pack my things and go.

Margie: That's right

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Ray: What'd you say?!

Margie:

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Ray:

Now baby, listen baby, don't-a treat me this-a way

Cause I'll be back on my feet some day.

Margie:

Don't care if you do 'cause it's understood
You ain't got no money you just ain't no good.

Ray: Well, I guess if you say so

I'll have to pack my things and go.

Margie: That's right

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Ray: What'd you say?

Margie:

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Ray: Well

Margie: Don't you come back no more.

Ray: What you say?

Margie: Don't you come back no more

Ray: I didn't understand you

Margie: Don't you come back no more

Ray: You can't mean that

Margie: Don't you come back no more

Ray: Oh now baby please

My Favorite Things

Rogers and Hammerstein, Sung by Julie Andrews

Raindrops on roses
And whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Cream-colored ponies and crisp apple strudels
Doorbells and sleigh bells
And schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs
These are a few of my favorite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad

Edelweiss

By Rogers and Hammerstein, 1959

From The Sound of Music

Edelweiss, Edelweiss
Every morning you greet me
Small and white, clean and bright
You look happy to meet me
Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, Edelweiss
Bless my homeland forever

Edelweiss, Edelweiss
Every morning you greet me
Small and white, clean and bright
You look happy to meet me
Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, Edelweiss
Bless my homeland forever

YELLOW LOTUS FLOWER

By Jen Myzel

Chorus

Yellow Lotus Flower, like the sun you rise up from the darkness
When tears come they make you stronger, like the sun we rise up from the darkness

Verse 1

One yellow lotus flower wanted to sing a song
She asked the dragonflies and the frogs to sing along

Before she knew it there was a symphony at the pond
One yellow lotus flower sharing her life song

Bridge 1

I was born at the bottom of this muck
A tiny seed I was murky and stuck

Until a golden fish swam by
And what he said just changed my life

“There's light at the top, you've got to believe me
So grow up and up, and send your roots down deep”
ooooooooh ooooooh

Chorus

Yellow Lotus Flower, like the sun you rise up from the darkness
When tears come they make you stronger, like the sun we rise up from the darkness

Verse 2

I didn't know if this whole light thing could be true
But I had to give it my all and see my mission through

So I sent my root down into the dark and watery Earth
It cracked my shell open, and the breaking was my birth

INSTRUMENTAL BREAK (8 measures/ 32 counts)

Verse 3

My Green arms were growing, my torso was getting strong
I could hear that golden fish, cheering me along

I tilted my body back and lifted my head up high
For the first time in my life I felt the blue beginning of the Sky

Bridge 2

This is it I'm almost there
Maybe it's too good, I feel so scared

I feel a tightening here comes the air
And I gasped, unfolded and I

Verse 4

Opened my eyes, to the Gracious Sun
And in that moment she looked back at me, we feel deeply in love

She warmed my yellow smile as I cried out loud
I'd never felt so loved I didn't know I was allowed

The Sun Said "Lotus Flower, You are my sunshine
Oh won't you let me kiss you for the rest of your Life?"

(chorus)

Yellow Lotus Flower, like the sun you rise up from the darkness
When tears come they make you stronger, like the sun we rise up from the darkness

Verse 5

Now that I'm all grown up and shining like the sun
I like to sing my song for each and every one

For the seeds still in the mud, and the buds who are on their way
Find courage through the dark, and you will bloom one day
