Crocker Highlands Elementary Annual Giving 2018-19

What is Annual Giving? Annual Giving is a one-time or recurring donation of your choosing to support programs that are not covered by state or federal funding.

This academic year, the Crocker PTA will spend approximately \$1,000 per child.

Where does your money go? Programs include:

- Small Group Activity Leaders
- Vocal Music
- Physical Activity
- Library - books and teacher
- Technology - computer instruction, replacement, repair and more!
- Supplemental math & reading - giving extra attention for struggling kids and acceleration
- Community-building events - Dad's club, Spaghetti night, Mosaic night and lots more

Donations in any amount are welcome from anyone – including relatives and friends.

You don't need to give \$1,000 to make a difference! All donations help are much appreciated. We are hoping to reach 100% family participation, so please give what you can.

Donate today! It's easy & 100% tax deductible.

Payment Method:
